You seem to lack a basic comprehension of how English works. I dont know how I can help you, but it explains why you're a **Destiny** fan.

I was not doing YT then and I had no idea how **Steve** was, but you know, continue to excuse the despicable behavior, cuz thats all this is.

Sorry, I always forget **Destiny** fanboys are intellectually ascendant. Let me put it in words you can understand - I'm Pickle Rick!

as I have and made public which was interestingly when **Steve** stopped calling me a felon in text 🤔

You know what, at least Im dividing the attention of **Destiny's** goons so they lay the fuck off [@MouthyBuddha](#) who just made a good video

Aydin Paladin · @AydinPaladin · Oct 10

I am honestly terrified of **Destiny's** fans coming for me, but I can't be silent when he's seemingly ok w. the same shit again and again.

Thanks Bunty. **Steve** is not. He supported my deplatforming/doxxing because it was "easy" to doxx me

except ive posted tons of evidence of the harassment i recieved earlier in the year, plus he's overtly encouraged it, again see Apes video

I want nothing to do with him ever again ,I just found it surprising Jeff would think **Steve** gives a shit about the behavior of his goons

No i said he kept publically calling me a felon and i publically tweeted I consulted a lawyer And I never saw it again

2 4

Aydin Paladin · @AydinPaladin · Oct 10

Replying to @Siiimuu @JeffHollandaise @OmniDestiny

Nah, it was to the point i had to consult a lawyer over the repeated libel and told him publically i had that it stopped

2

Aydin Paladin · @AydinPaladin · Oct 10

Replying to @Siiimuu @JeffHollandaise @OmniDestiny

there are screenshots in Apes vid of him encouraging doxing. That's my point, it's a pattern of behavior

Aydin Paladin · @AydinPaladin · Oct 10

Replying to @Siiimuu @JeffHollandaise @OmniDestiny

No i hate him for encouraging his fans to harass and deplatform me and continually spreading a slanderous lie I'm a felon

ok then weve both provided proof but you just don't like it. Dunno what else to tell you man, evidence is there, as I've shown in the past 2
